SOCIETY OF BIBLICAL ARCHÆOLOGY.  
9, CONDUIT STREET, W.,

6th May, 1873.

SIR,

I beg to inform you that it is intended shortly to publish a Series of TRANSLATIONS OF ALL THE IMPORTANT ASSYRIAN AND EGYPTIAN TEXTS, which exist in the various collections of England and the Continent, and thus place before the English Student the remains of undoubtedly THE OLDEST AND MOST AUTHENTIC LITERATURE IN THE WORLD, the foundation of all History, Archæology, and Biblical exposition, the contemporaneous records of the nations and writers of the Bible. Nearly all the principal Translators have offered their services for this purpose, and while each Author will be alone responsible for his portion of the work, the general arrangement of the materials will rest with the President of this Society. The selection of the records will not be confined to those bearing directly on the text of the Bible, but embrace the entire range of Egyptian and Assyrian history and literature. Each translation will quote the authorities upon which it is based, or the monument from which it is taken, and all other notes will be as few and brief as possible, to avoid controversy and expense.

The volumes will be issued by Messrs. Bagster and Sons, at a price to bring them within the reach of all who are interested in such subjects.

I shall be happy to answer any communication addressed to me upon this subject, and trust that you will promote the best interests of Biblical Archæology, by circulating this notice among your friends.

I remain, Sir,

Yours faithfully,

W. R. COOPER.
